Re: Edmonds v. Seavey

Counsellar:

We Note the scheduling order of Judge Harold Baer Jr. directs the completion of discovery by April, 2009. In order to proceed with the depositions, presently scheduled for November 12<sup>th</sup>, 2008, my client requires presentation and opportunity to make a full review of the records of all bank accounts maintained by each development, together with the checkbooks and register for each account so that a cursory review can be made of the following periods:

1. January 1<sup>st</sup> through June 30<sup>th</sup>, 2008
2. January 1<sup>st</sup> through December 31<sup>st</sup>, 2002 – 2007

We are prepared to conduct this review at the offices of Dalton Management. The request is made pursuant to John L. Edmonds right as a Managing General Partner and Partner under §41 of the Partnership Law to inspect all books and records of the partnerships, separate and apart from any discovery request under the FRCP. I would hope this review might be conducted and completed on November 5<sup>th</sup>, 6<sup>th</sup> and 7<sup>th</sup>, prior to the depositions. We ask your cooperation in this regard.

Very truly yours,

M. Douglas Haywoode
